MAY 21, 2019

11:30AM-2:00PM

## TABLE LEADERS

### HEALTHCARE

**Jamey Barlet**  
Associate Principal, CollinsWoerman

In his 15 years with CollinsWoerman, Jamey has focused on process improvement and integrated facility design. Jamey has worked closely with the leadership teams from six separate health networks to improve operations using a Lean 3P process. Jamey also leads CW's internal process improvement effort to eliminate waste and rework in the design process.

### K-12

**Taine Wilton**  
Design & Construction Manager,  
Edmonds School District

Taine is an architect with 30 years of experience specializing in K-12 projects. She is a Project Manager for the Edmonds School District, where she has led four school replacements using GC/CM alternative delivery along with two interim school renovations. Placing the students and users' needs first has been a common thread throughout her projects.

### TACOMA/PIERCE COUNTY

**Sarah Bonds**  
Vice President, Economic Business  
Board for Tacoma-Pierce County

Sarah is the Vice President of Business Recruitment. She works directly with businesses and consultants to provide key information and assistance to land primary employers throughout all of Pierce County. Her work includes helping companies with site selection, exploring incentives, assisting with permitting, and connecting clients to workforce development resources.

### TACOMA/PIERCE COUNTY

**Maddie Merton**  
Vice President, Economic Development  
Board for Tacoma-Pierce County

Maddie is the Vice President of Business Retention & Expansion for Tacoma-Pierce County. She manages the EDB's relationships with existing businesses. Her work includes navigating federal, state and local incentives, accessing financing and grant programs, permitting and regulatory assistance, connections to workforce development resources, and management consulting.

### CITY OF BREMERTON

**Kevin Gorman**  
City of Bremerton Council Member

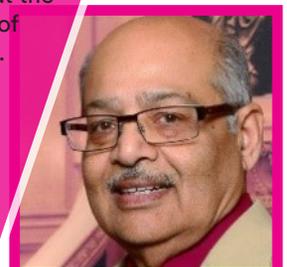

Kevin has 15 years of public service experience, starting with the US Coast Guard. This experience led to triaging utility emergencies for Seattle Public Utilities. Today, Kevin serves as Councilmember for the City of Bremerton's growing downtown district, where he chairs the Public Works Committee. He also manages the Streetlight LED Conversion and Contact Voltage Survey programs for SCL.

### DES/DOH

**Indra Jain, AIA, NCARB**  
Principal PM, WA State Dept. of  
Enterprise Services, Dept. of Health

Indra brings extensive expertise in public and private sector projects at the 120-million dollar level in all phases of architecture for various occupancies. Since 2014 his responsibilities include managing multiple projects for DES – EAS. The projects range from \$50K to \$50 Million. Indra has delivered large-scale multi-discipline complex public sector projects with diverse clients.

# MARKET MASH 2019

TOPICS | TRENDS | CONNECTIONS

## CITY OF SEATTLE

**David Kunselman, AIA**  
Deputy Director, Capital Development  
& CM, City of Seattle

David is an architect with over 25 years of experience practicing in the public sector. At the City of Seattle he manages the Planning, Design and Major Projects group. He leads a team of design and construction professionals who manage City building projects of all types, such as judicial facilities, administration buildings, maintenance facilities, fire stations, and police stations.

## AFFORDABLE HOUSING

**Tom Eanes**  
Senior Development Manager, Seattle  
Housing Authority

Tom is the project manager for the Yesler Terrace redevelopment. He has over 45 years' experience in architecture, urban design, transportation planning, engineering, and construction management. Tom has worked on mixed-use residential, transportation and industrial projects for public and private sector clients.

## DESIGN REVIEW & OUTREACH

**Lisa Rutzick**  
Design Review Program Manager,  
Seattle Dept. of Const. & Inspect.

Lisa is Seattle's Design Review Program Manager within the Department of Construction and Inspections. Providing organization, support and training to 42 Design Review Board members and programs spread across eight boards covering the entire City is a primary focus of her efforts.

## DESIGN REVIEW & OUTREACH

**Danielle Friedman**  
Strategic Initiatives Advisor, City of  
Seattle Dept. of Neighborhoods

Danielle serves as a Strategic Initiatives Advisor at Seattle's Department of Neighborhoods where she oversees the new Early Outreach for Design Review program and works on numerous projects in order to engage all of Seattle's residents, especially those most-impacted. She has over 15 years of experience working with non-profits and community organizations.

## LIFE SCIENCE

**Burcin Moehring, FAIA, LEED AP BD+C**  
President, International Institute for  
Sustainable Labs (I2SL) Emerald City Chapter

Burcin has dedicated her career to planning and designing science environments, redefining standards, and providing leadership that benefits the architecture profession. She has 29 years of experience in project management, teaching lab planning and programming for educational and research facilities, and in leadership positions with AIA-CAE, SCUP, and I2SL.

## LIFE SCIENCE

**David Bryant**  
Principal, FLAD Architects

David has more than 36 years of experience as a project manager and architect with extensive experience in corporate and higher education life science projects. Some of his recent local projects include Seattle Children's Research Institute Building Cure and the Juno/Celgene 400 Dexter facility. David guides his teams through a process integrating design with planning, resulting in highly functional spaces.
