Thank you for considering sponsorship of the SMPS Seattle 2020 Reign Awards. This is your chance to recognize excellence in marketing communications and outstanding achievements of top marketing professionals in Western Washington!

ABOUT SMPS

SMPS, the Society for Marketing Professional Services, is the only non-profit marketing organization dedicated to creating business opportunities and enhancing the careers of marketing professionals in the architecture, engineering, and construction (A/E/C) industries. The organization began in 1973 when a small group of professional service firm leaders recognized a need to sharpen their skills, pool resources, and work together to help tackle the complexities of marketing. Today, SMPS has more than 7,000 members who are active in 58 chapters across the United States and Canada. Our members are marketing and business development professionals employed by architecture, engineering, construction, planning, landscape, interior design, legal, accounting, and specialty consulting firms.

The SMPS Seattle chapter is one of the oldest, largest and fastest-growing SMPS chapters in the country. Our network comprises more than 320 members from approximately 200 of western Washington's architecture, engineering, and construction firms. In August 2015 and 2018, our chapter received "Striving for Excellence" awards from SMPS Headquarters in recognition of the diversity and vast amount of educational, networking, and scholarship programs we offer members. In addition, we have a non-member network of 1,400-plus people who regularly receive our communications.

ABOUT THE REIGN AWARDS

SMPS Seattle's annual Reign Awards gala recognizes excellence in marketing communications and outstanding achievements of top marketing professionals. Submitting for the Reign Awards provides firms with an unparalleled opportunity for peer recognition and expert feedback. Communications awards are awarded to A/E/C firms whose materials and campaigns most compellingly achieve their firms' marketing goals. Individual merit awards recognize the exceptional accomplishments of individuals in our industry.
